Dear Madam,

The Spanish National Commission of cooperation with UNESCO has examined the information sent regarding the project "Dancing for the Millenium Goals and believes that it would contribute to a better understanding of the Millenium Goals and a greater public awareness of their importance. The cultural content of the project and its objectives are compatible with those of UNESCO.

Therefore, we are happy to support the petition by "Dancing for the Millenium Goals" to receive the patronage of UNESCO.

Federico Palomera
Secretary General
Spanish National Commission for UNESCO
